

Our New Branding

With completion of the successful move to our new factory, we have also refreshed our branding. Not only does this include our new logo, but also a new slogan “HERE FOR GOOD” and new colours Blue, White and Yellow.

The new branding is now featured above our reception area which gives our visitors a welcoming experience.

Another exciting new marketing piece are our new brochures. These are called “We employ” and “We fill”. “We employ” will be for any new potential workers looking to join our team to give them an idea of what sort of work that we do, employment supports we offer and the criteria for gaining employment with BIA. “We fill” is aimed at potential customers to showcase what we manufacture and includes our new brand of cleaning products called “Ribbon” (More news to come)

To complete the update, we have new business cards to show all of our contact details.

Welcome to Newlands Rd BBQ

On the 27th of October, Brunswick Industries staff and workers celebrated the successful move to our new factory by having a BBQ lunch.

Workers were permitted to bring along a guest for the lunch and to show them around the factory where they work.

Overall, everyone that attended enjoyed the lunch provided and were very impressed with our new factory.

Thank you to everyone that came along and thank you to the workers that helped on the day

Brunswick Industries goodies bag

Exciting new BIA goodies have been given to each worker. These include:

- BIA Pen
- BIA Cap
- BIA Safety Vest
- BIA Drink Bottle

These items are excellent quality, and our workers are delighted with each product!

We also have new safety vest for our cleaning team (Pink), staff (Orange) and our visitors (Blue).

These safety vest have our new branding on the front and back of the vest!

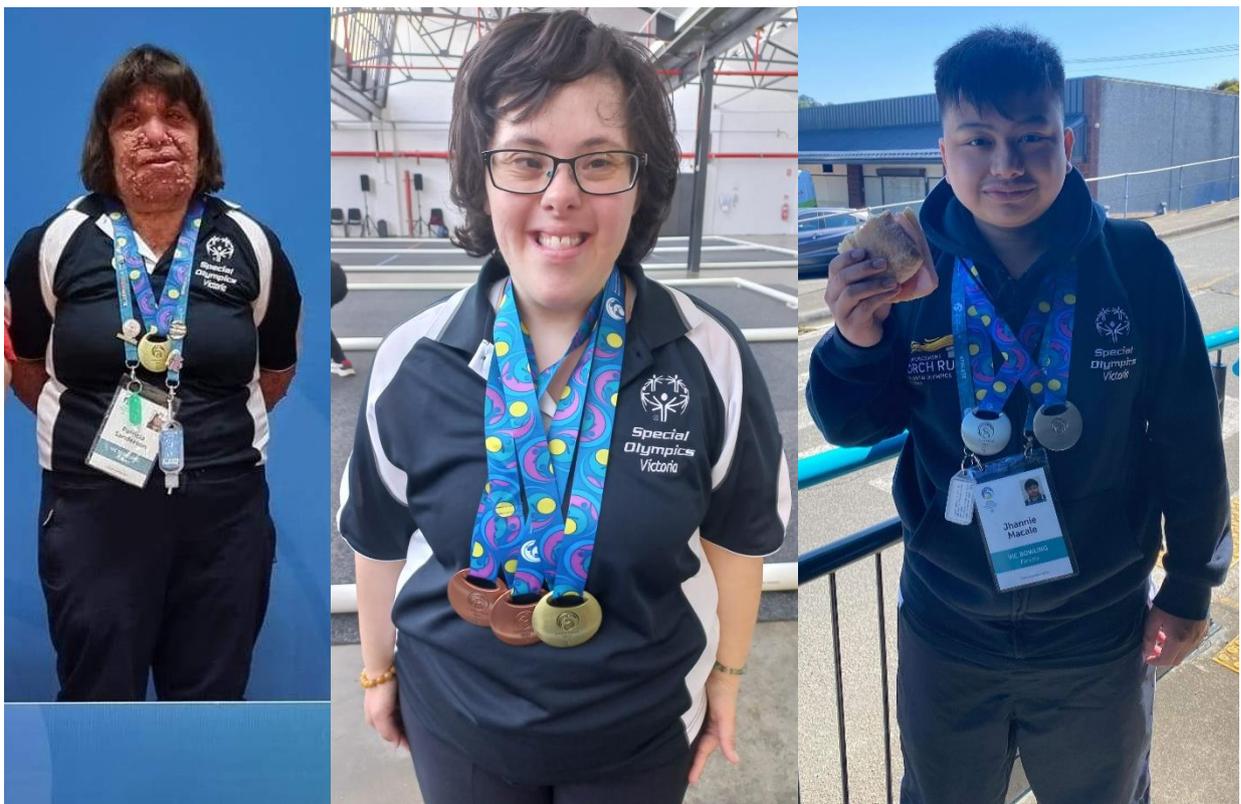

BIA'S donation to our National Games Champions

A big congratulations to Nadia Biachin, Jhannie Macale and Patricia Sanderson who competed in the Special Olympics this month in Tasmania.

Each participant in the Special Olympics needed to raise money going towards flights to Tasmania. Brunswick Industries donated each one money to go towards their cost of attending the games.

In great news, all our champions won medals. Great results for all 3 of our team members!!

Employees of the month

July – John O’Donoghue, Paul Kucera and Clare Hewson were awarded employee of the month for working extra hard on the relocation move, pulling everything down at Syme St and unpacking here at our new factory. They started early and even finishing late especially on a Friday.

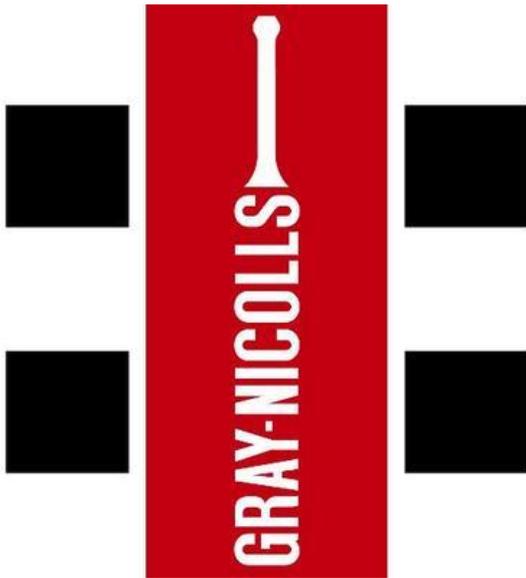

August - Congratulations to Mel Marks for her outstanding work in July/August on the relocation to our new factory.

Without Mel it would not have happened, and we would not be in this great new factory. Thank you, Mel, from all of us.

September – Bridget won the award for her great work on the 4 head filling machine, making sure that we are continuing to get our work out efficiently. Bridget’s also been doing extremely well working on the press, making sure that our K.E cloths are coming out correctly

Customer Focus

GRAY-NICOLLS started making bats in 1973 in Melbourne and will next year celebrate their 50-year milestone of making bats in Australia.

Based in Cheltenham, Victoria, GRAY-NICOLLS bats continue to be hand crafted using a combination of traditional and innovative methods, resulting in an exceptional product.

GRAY-NICOLLS cricket bats are used by some of Australia's best players including Mitch Marsh, Aaron Finch, Marcus Stoinis, Cameron Green and Beth Mooney.

The team at GRAY-NICOLLS are always striving for excellence ensuring its bats have the best rebound and power to get into the boundary for 4 runs or over the rope for 6 runs.

Brunswick Industries has been working with GRAY-NICOLLS for 6 years and we couldn't be happier working with such a reliable company with such a brilliant product.

Footy tipping competition winners

A big congratulations to Mark Hamra, Gaylene Hargrave and Paul Kucera who finished 1st, 2nd and 3rd respectively in this year's BIA AFL tipping competition.

Thank you to everyone who participated and we look forward to the footy tipping returning in 2023.

Important Dates

Brunswick Industries' last working day for 2022 will be Thursday 22nd December. We will be re-opening on Monday 16th January 2023. All employees will receive their roster to indicate the day you will return.

If you and your family are wanting to take more time off, please advise Justin F or Mark at Reception of dates as soon as possible, either by phone or email Reception with your requested dates for time off:
